

Meth Lab Identification & Response (16 Hrs) Class Size: 50 - No Fee

Training will consist of identification of meth, methods for finding meth labs in your jurisdiction and response to those labs. The danger of responding to meth labs will be covered in depth, but this course does not include clean-up of meth sites. Tuition for these classes is free to the student as it is paid for by a grant. March 12-13, 8:00 AM-5:00 PM

To enroll please contact Sgt. John Fields @ John.Fields@dps.alabama.gov
